

I was introduced to K-LOVE by a friend when I had been laid off from my job. My self esteem was nearly gone. I started listening to K-LOVE and was enlighten from the music, especially Casting Crowns, it is uplifting and helped me feel better about myself. K-LOVE is the only Christian Music Radio in the area that I know of. I listen to K-LOVE in my truck on the way to and from work. I listen to K-LOVE during my lunch hour. I went to my first Christian Rock Concert last night with Avalon, Mark Schultz and Matthew West. I would never have been introduced to these wonderful musicians if I hadn't been listening to K-LOVE! The amount of talent in that church was magnificent!! God was truly in that church last night like I had never seen in any church before!!! From the amount of young people at the concert last night, Christian radio has made an impression on them for the better and is keeping them in church and off the streets at night!!

K-LOVE provides another avenue for listeners to choose from in this area. As I stated before K-LOVE is the only Christian radio station in the area that I know of. Instead of trying to shut K-LOVE down you should be trying to build up the K-LOVE station

family!!! We took a trip home to Iowa last Summer. I got the list of K-LOVE stations off of their web site and took the list with me to Iowa. I listened to every K-LOVE station from Central Texas to Des Moines, Iowa!! What an excellent way to stay in touch with friends on the radio when you're traveling across country. I don't have to wonder what is going to be on the radio when I can just tune into another K-LOVE station. I don't want to listen to 24-7 of political jangling or sports commentators. I don't want to listen to news broadcasts telling me about how bad the country's economy is getting or any more on Iraq!! I want to hear encouraging and uplifting things about God!! When it all comes down to it, He is the answer to everything on earth and in this day and age we keep pushing him out of everything that this country stands for!! God has truly blessed K-LOVE as making a difference!! Keep K-Love on the air!!!

Sincerely,
Kristy Wyllie
